SAFETY BULLETIN

Subject: Compliance with provisions of Fatigue Risk Management

Date: 10 May, 2022
Ref. №: 001

To the attention of the Air Operators registered in the Republic of Azerbaijan:

In the view of the requirements set forth in the "Azerbaijan Aviation Rules – Operations of Aircraft. Part 1 (Aeroplanes) (AAR-OPS 1)" and "Azerbaijan Aviation Rules – Operations of Aircraft. Part 3 (Helicopters) (AAR-OPS 3)" in respect to provisions of Fatigue Risk Management, those operators which are not in compliance with mentioned requirements shall maintain and fully satisfy the fixed published flight time limitations as per sub-chapter "FLIGHT AND DUTY TIME LIMITATIONS AND REST REQUIREMENTS" during its flight operations.

Provisions of given Safety Bulletin become effective from the date published and remain in force until further notice issued and officially published/distributed by the State Civil Aviation Agency of the Republic of Azerbaijan.

Director of the State Civil Aviation Agency
Arif Mammadov
